RENO, Nev. (mynews4.com & KRNV) -- The Veterans Guest House allowed News 4 cameras in for a sneak peek of their new home on Friday, Nov. 11, Veterans Day.

The new Veterans Guest house was funded through donations from local businesses, the City of Reno, and was built with the help of community volunteers.

The new house sits next-door to the existing Veterans Guest House on the corner of Locust and Taylor St. in Reno, and will provide temporary housing for up to seven occupants. The existing Guest House has space for 12 occupants.

"The Veterans Guest House is a "home away from home" for U.S. military service veterans receiving medical treatment and for families of veterans who are receiving care at facilities in the Reno/Sparks, Nevada area. It is located within two miles of three of the four major medical facilities." -- (VeteransGuestHouse.org)
