RENO, Nev. (News 4 & Fox 11) —

A ribbon cutting was held on Wednesday for the expansion on Reno's Veterans Guest House.

The \$4.4 million expansion will allow officials to provide 12,000 room nights annually for veterans and their families as they receive medical care in the Reno-Sparks area.

The expansion doubles the beds from 17 to 33 and doubles the number of veterans that can be served.

The Veterans Guest House located at 880 Locust Street broke ground in August 2017.

The newly developed guest house will be open to the public on Saturday, August 18 from 1 p.m. to 3 p.m.
