RENO, Nev. (News 4 & Fox 11) — The annual Veterans Guest House Radiothon with 780 KKOH will be held this Friday, March 8th at the Atlantis Casino Resort Spa.

This is one of the biggest fundraisers of the year for the Veterans Guest House with a goal of \$50,000.

The radiothon is an on-air auction with great packages, lots of stories from our guests, and many surprises. The fundraiser will begin at noon and go until 6 p.m.

Bid packages include:

- Reno Aces luxury box
- One night at Reno Renaissance and private wine tasting
- Concert tickets for two to Santana
- Steve Miller Band and Lionel Richie at Harvey's Lake Tahoe
- Golf around town for two
- Two round-trip tickets on Southwest Airlines and more

The Veterans Guest House provides temporary housing for veterans undergoing medical treatment in the area. The house does not receive any government funding for their day-to-day operations, and relies solely on donations from the community for their operating costs.

The Guest House will launch its 25th Anniversary year with cake and a champagne toast for everyone at 4 p.m.

The community can participate by listening on air at News Talk 780 KOH. The attendees can stop by and donate or bid at the Atlantis in the Grand Foyer, Mezzanine Level; or call on your phone to 775-335-4621 to bid on great packages.
