

Veterans Guest House Looking For Rib Cook Off Volunteers

Posted on August 7, 2019

With the Nugget Best in the West Rib Cookoff just around the corner, the Veterans Guest House needs your help to staff up drink booths at the festival. You'll earn an hourly wage and tips, which goes to guest house at the end of the event. The guest house relies on community funding to keep their doors open for veterans and their families who need access to the VA. If you have time to help, call Kathi at the guest house 324-6958 ext. 10.
