THE DIFFERENCE YOU MAKE

Each year, more than 120,000 veterans come to the Reno/Sparks seeking medical care. Your support provides safe, supportive overnight accommodations for those who could otherwise not afford the cost of a motel room and meals. This support is often the difference between receiving medical care or going without.

Bolster your brand - Receive premium recognition, including key logo placement throughout the event.

Build relationships - Bring clients, colleagues or friends for a day of golf on one of the area's most exclusive courses.

Better your community - Know your support is helping improve the health of veterans and family members.

Thank a veteran - Honor those who have given so much but ensuring access to medical care and overnight lodging.

All proceeds directly benefit veterans and their families.
